**61 Elizabeth Street  
Moss Vale NSW 2577**

**Ph: 48681500  
Fax: 48682688**

---

The doctors at Moss Vale Medical Centre can fulfill all your travel immunisation requirements!

Our doctors have access to the MASTA (Medical Advisory Services for Travellers Abroad) Electronic Database on travel medicine, which allows us to give up to date advice on required or recommended vaccinations, and other travel health issues.

All vaccinations including Yellow Fever can be given here. We keep Tetanus, Polio, Hepatitis A B, Typhoid and Yellow Fever immunisations in stock at the Moss Vale Medical Centre, and others, such as Cholera and Meningitis, are available from local pharmacists.

You need to visit 2 months before  
your trip if possible.  
Please phone for an appointment.
